Sugar Cane Experts Gather At Canal Point Meeting

Large delegations of sugar cane growers, processors and research technologists from Louisiana and Florida attended the annual Sugar Cane Breeding Conference, field day and luncheon at the USDA Sugar Cane Field Station in Canal Point.

Following the luncheon in the Community Building, Bascom A. Belcher, agronomist-superintendent of the field station, introduced Dr. H. M. Tyndal, chief of the Tobacco and Sugar Corps Research Branch, USDA Plant Industry Station, Beltsville, Md., who emphasized the importance of research in answering the questions which arise from the problems experienced by sugar cane growers and processors. He expressed appreciation for the support the American Sugar Cane League is giving to the research program at Canal Point.

Gilbert J. Durdin of New Orleans, La., vice president and general manager of ASCS, in reply, stated that members of ASCS consider the Sugar Cane Field Station at Canal Point a "good investment." Warren Harang, Jr., ASCS president, and Malcolm Dike, contact committee chairman, in concurring with Durdin's statement expressed appreciation of the contribution the Canal Point station has made to the sugar industry. Jim Beardsley, sugar cane grower and Dr. B. A. Bourne of the U. S. Sugar Cane Corp., both of Clewiston, also spoke briefly.

At the Sugar Cane Field Station's new crossing house, with Dr. Tyndal and Mr. Belcher acting as discussion mediators, a report on "Sugar Cane Crossing in 1959" was given by P. H. Dunckelman, sugar cane breeder, with added remarks by Dr. L. P. Herbert, Dr. R. D. Breaux and Lloyd Lander.

Reports were also given by Carl O. Grassl, botanist, "Inter-specific Breeding;" Dr. E. H. Todd, pathologist, "Pathology Work at Canal Point," and Edwin R. Rice, research agronomist, "Outfield Variety Testing."

Mr. Belcher reviewed the "World (continued on page 8)

Better Buy Auto Tag Now Or You Will Stand In Line

Mrs. George C. Young, branch office manager for Stetson O. Sproul, County tax collector, at the County's Glades Office Building, reported Wednesday that only 1,577 motor vehicle license tags had been sold through her office to date. She estimated that 5,500 additional tags would have to be purchased by Glades residents before the Feb. 20th deadline, and urged that these tags be purchased as soon as possible to avoid the delays of waiting in line that will occur if the majority of these residents postpone the purchase of their tags until the final days of the purchase period. She suggests to owners of fleets of cars or trucks that they bring in the registration cards for their vehicles in advance, enabling them to pick up their tags at a later date without delay.

Lions Hear About Florida Weather

Wilbur Minice of Belle Glade head of the federal frost warning service in the Glades area, was guest speaker at the dinner meeting of the Canal Point Lions Club. Introduced by Alton W. Jones, the speaker told of the work that goes into the forecasting of cold weather far enough in advance to give growers an opportunity to protect their crops. President James Gibson presided.

Christian Workers School Jan. 24-28

A Christian Workers' School for the Lake Okechobee area will be held at the Pahokee First Methodist Church, Jan. 24-28. The school is being held for the benefit of Sunday school workers, church leaders and parents of the Methodist Churches of Okechobee, Canal Point, Pahokee, Belle Glade, Lake Harbor, Clewiston and Moore Haven.

Three courses will be offered Dr. Joanna Byers of West Palm Beach, former director of the Child Guidance Clinic in West Palm Beach, will teach "Understanding Children," a course for prospective teachers in all children's division classes of Sunday school and for parents of small children. The Rev. James Roy, pastor of the First Methodist Church of Boynton Beach, will be the instructor of the course, "Understanding Youth," for all workers with youth, whether parents, teachers or counselors. The Rev. Ben Rider, pastor of Riviera Beach Methodist Church, will serve as leader in the course, "Christian Beliefs," a study of basic Christian doctrines and their relation to a satisfying Christian experience for church school teachers, parents, church leaders and all other adults interested in the Christian life.

The first session will consist of an assembly in the church auditorium Sunday at 3 p. m. All other sessions will be in assigned classrooms at 7:30 p. m., Monday through Thursday.

Dean of the school is the Rev. Lee D. Rustin, pastor of the Community Methodist Church, Belle Glade. Other officers include W. D. Howard, Pahokee, chairman of the board of managers; Mrs. Milton Salvatore, Pahokee, registrar; Russell E. Tucker, Belle Glade, treasurer.

AT LIONS MEETING

Canal Point Lions and their wives who attended the dinner meeting at Fort Pierce Thursday night, honoring the third vice president of Lions International, were President and Mrs. James Gibson Zone Chairman and Mrs. J. W. Repper, Mr. and Mrs. H. H. Sears and Mr. and Mrs. Bill Gallick.

Mrs. Claud Morgan has accepted a position in the office at the Bank of Pahokee.

Hub Spooner New Ford Co. Manager

A native Pahokeean, Hub Spooner, is the new manager of Pahokee Motor Company, Ford Sales and service representatives in Pahokee. He succeeds Charles Dickson who resigned several days ago and went to Belle Glade where he is employed.

Hub, as he is known throughout the Glades and South Florida, where he is well known and liked, was born and raised in Pahokee. He is a graduate of Pahokee High School and has lived in this area ever since graduation with the exception of time taken out to help win a war. He was in the Normandy invasion in World War II and it was there that he was severely wounded while landing on the beaches.

Hub has had 20 years experience in the automobile business in Pahokee, Belle Glade and Clewiston. He plans no extensive changes in policy or working conditions but will make an earnest effort to render an excellent service to those who take advantage of the Pahokee Motor Company modern and up-to-date facilities.

Hub and his family live in a handsome new home recently built on SR717 at Chocoma.

Industrial Arts Building For PHS

The School Board is calling for bids on Feb. 17th for the erection of a new Industrial Arts Building at Pahokee High School, according to Board member, Thurmond W. Knight, of Lake Park.

This new shop building will take the place of the present portable building erected four years ago, which has served the purpose of starting Industrial Arts and shop training in this school Center.

An alternate in the specifications will call for the removal of the portable building to the East Lake School in Pahokee, to be used as a band room for that school, which is to be made into a full high school for our negro pupils in that area within the next year or two.

The designing architect is Chester A. Cone, of Belle Glade, from whom plans can be secured by interested contractors.

Howells Build New Immokalee Home

Mr. and Mrs. A. Q. Howell, pioneer Canal Point residents, are building a new home at Immokalee and plan to move there when it is completed. The Howells, accompanied by their son and daughter-in-law, Mr. and Mrs. Wiley Howell spent the weekend at Immokalee, with their son-in-law and daughter, Mr. and Mrs. Homas Lynn, and family. Mr. Howell remained to supervise the construction work on his new home.

Miss Faith Sasser has returned to her studies at Stetson University, Deland, after a weekend visit with her parents, Mr. and Mrs. Paul Sasser, and family at Pahokee.

Lake Shore Drive In Canal Point Completed; It Is A Beautiful Street

Jr. Cattlemen In Study Of Exhibits

The Junior Cattlemen's Association met Tuesday night at the Glades Office Building and discussed livestock exhibits at the South Florida Fair and Exposition. Following this Dr. Howard Hill discussed vaccinations, parasite control and other topics of interest about animal health to the members of the Junior Cattlemen's Association.

Post Office Bids Asked In Pahokee

The Post Office Department is advertising for competitive bids on a lease basis for a new facility at Pahokee, Florida, it has been announced by Postmaster General Arthur E. Summerfield.

News of the announcement was contained in a release from the office of W. L. Crawford, Regional Operations Director, Atlanta which stated that the new quarters would be located on the northwest side of Bacom Point Road. It is to be a one-story, air-conditioned building with 4,758 square feet of floor space, 286 square feet of platform space, plus 10,982 square feet of parking area.

The terms of the lease will be for a period of ten years with five-year renewal options. The final date for submission of bids is February 15, and full information may be obtained from Real Estate Officer C. E. Green, Jr., Seminole Annex, Fort Lauderdale, Florida.

In connection with this announcement, the release pointed out that the Pahokee post office is one of 160 such projects in Florida, which are now receiving attention either from the Postal Inspector-in-Charge or the Regional Real Estate Manager or are awaiting departmental action.

It was explained that this does not mean 160 new buildings since many of the projects call for enlargements, remodeling, lease renewals, driveway paving, and the installation of new equipment. All of these improvements are in line with the Postmaster General's modernization program.

Pahokee Lions Hear H. L. Searcy

Howard Lee Searcy, of West Palm Beach, assistant chief of hydrology and the hydraulics section of the Central and South Florida Flood Control District, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. The speaker, introduced by Dr. R. C. Lane, program chairman, told of current and future operations which will provide complete water control within the confines of the CSFCD District, a vast expanse of 10 million acres covering 25 per cent of the area of the entire State of Florida.

Lake Shore Drive in Canal Point, a modern street facility with curb and gutter and sidewalks, was completed by the contractor this week, according to an announcement by County Commission Chairman Paul Rardin. The final coating of hot asphalt was put down Wednesday of this week. The Weekly Construction Company of Hallandale, Fla., was the contractor in charge of the work and the contract price was in the neighborhood of \$155,000.00, Rardin said.

Street beautification remains to be done, Rardin said, and this work has already been started by county road forces. The plots between the street and the sidewalk will be sodded with bitter blue grass and the driveway turnoffs will be shelled a short distance back from the sidewalk, putting them in better condition than ever before, the commission chairman said.

A great deal of inconvenience was experienced by those living on the street during construction but the beautiful new piece of construction with its effect of increase in property values in the area and the splendid convenience of sidewalks for the youngsters, offset by far the week's inconvenience which occurred while construction was going on.

"It is a beautiful street," is the way one resident described it, who complained vociferously while construction was underway, "and I am proud of the efforts of our county commissioner now that I can see first hand just what a wonderful improvement it really is."

Chairman Rardin said that following completion of beautification of the street short and impressive dedication ceremonies will be scheduled in which other members of the county board will take place. A ribbon cutting and official opening of the street will be a part of the ceremony, he concluded.

Blue Devils Will Meet Fort Pierce

The Pahokee High Blue Devil basketball teams will meet Fort Pierce's McCarty High Eagles Saturday night and the Stuart Tigers Tuesday night, both contests to be played in the local gymnasium. The chances for the winless Blue Devil team to chalk up its first victory of the season at the expense of either of these teams seem to be slim.

During the past week the drubbing taken by the Blue Devil A team grew progressively worse in the three games played. On Friday night the Belle Glade Rams defeated the Blue Devils, 50-43. Saturday night the Okeechobee Brahms downed them, 31-26, and finally the Lake Worth Trojans on Tuesday night breezed by the Blue Devils, 64-25.

Mr. and Mrs. D. P. Hughes and Mrs. H. C. Clark were business visitors in Orlando Wednesday.

THE WORLD OF WOOD

No Waste Here!

CLEAN SLABS AND EDGINGS, LEFT AFTER DEBARCKED LOGS HAVE BEEN CUT INTO LUMBER, WERE ONCE BURNED. TODAY, MANY SAWMILLS CONVERT THESE ONCE WASTED TRIMMINGS INTO PULP CHIPS.

THE CHIPS ARE LOADED IN RAILROAD CARS OR TRUCKS WHICH TRANSPORT THEM TO PULP AND PAPER MILLS.

IN 1959, SOUTHERN PULP AND PAPER MILLS USED ENOUGH OF THIS FORMERLY WASTED MATERIAL TO EQUIP 1,500,000 CORDS OF PULPWOOD. THIS IS BUT ONE EXAMPLE OF THE CONSERVATION MEASURES PRACTICED BY THE SOUTH PULP AND PAPER INDUSTRY.

Doyle Conner For Mayo's State Post

TALLAHASSEE—Doyle Conner five-term State Representative from Bradford County, and former Speaker of the House of Representatives, announced his candidacy today for Florida Commissioner of Agriculture, subject to the Democratic primary in May.

Owner of farming, insurance and real estate operations in Starke and Miami, Rep. Conner said that he would set up machinery for his campaign immediately. Campaign headquarters are being established at Miami. County offices are being set up throughout the State. The First National Bank of Miami has been designated as state campaign depository.

"All of us know the fantastic yet sound—economic growth of Florida during the fabulous 50's and the basic part that agriculture played in it," the 31-year-old legislator said. "During that period, it was my privilege to serve on many of the most important legislative committees of the House of Representatives, which contributed so much to creating the climate for this unparalleled expansion and prosperity."

Florida Waterways In Ike's Budget

The President, in his budget message delivered to the Congress today, requested a total of \$12,985,200 for civil works construction and planning in Florida for the 1961 fiscal year. Of this amount, \$12,868,200 is slated for construction of projects located either wholly or in part within the Sixth Congressional District of Florida.

A major share of this year's appropriation, or some \$10,000,000 is earmarked for the continuation of the vital Central and South Florida Flood Control Project. Other budgeted amounts are:

West Coast Intracoastal Waterway	\$2,000,000
Port Everglades	750,000
Palm Beach County Beach Erosion	118,200
In addition to construction funds, \$635,000 is budgeted for operation and maintenance of the following existing projects.	
East Coast Intracoastal Waterway	\$150,000
Ft. Pierce Harbor	85,000
Okeechobee Waterway	205,000
Palm Beach Harbor	40,000
Central and South Fla. Flood Control District	175,000

In commenting on this fiscal year's civil works requests, Congressman Paul G. Rogers said:

"I am very pleased that funds are budgeted to enable improvement to four water resources and expansion of our flood control program to progress in an orderly manner. This is simply another indication that the merit of our projects, in terms of benefits received for dollar spent, has been firmly established."

Farris Bryant Is Out For Governor

Farris Bryant, former Speaker of the House of Representatives received a rousing ovation here from more than 100 ardent sup-

porters as he announced his candidacy for governor.

The group of outstanding business and civic leaders came from all parts of Florida to be on hand when the 45-year old Ocala attorney officially entered his name as a candidate for the governor of Florida to representatives of the State Capital's press-radio-TV corps.

Smiling and confident, Bryant told the cheering crowd that his campaign is "well ahead of schedule." With 57 of the state's 67 counties represented at the Saturday meeting, he stated that "Bryant for Governor" organizations are sprouting up all over the state and that there are well organized Bryant groups in each of the state's 67 counties.

"This is most gratifying since the only commitment I have had to make is that I will do the best job for all Florida," Bryant said.

Ted David Is In Governor's Race

Ted Davis of Hollywood announced his candidacy for governor as follows:

"For many months I have watch-

ed the political maneuvering preparatory to the forthcoming race for Governor of Florida with the thought that someone with the essential determination and experience to accomplish adequate reapportionment for Florida would emerge as a candidate. No one has been forthcoming.

"Sharp realignment of representation in the State Legislature, particularly in the Senate, is Florida's most perplexing problem. The fact that the fastest growing state in the nation is governed by a political clique, which is in turn controlled by all sorts of special interests elements, is the root of most of our troubles.

"Deplorable as it is, this situation exists in Florida and it exists to a frightening and unbelievable degree. It can be eliminated only by vast improvement in the alignment of senatorial districts, by shifting legislative representation to the populous areas, so that more of our people will have a greater voice in government. This can and must be accomplished through strong executive leadership. I think I can supply that leadership and I want you to help me."

DC3 LANDS PAHOKEE

Our aviation editor was attending to other business this week when a DC3 carrying a general of the quartermaster corps landed at Pahokee airport. The plane was from Military Air Transport Service and the general (whose name we failed to attain) transacted business with vegetable buyers before taking off.

E. V. "Gene" FISHER
Candidate for Secretary of State

Gene Fisher Out For Vehicle Job

TALLAHASSEE—E. V. (Gene) Fisher, former State Motor Vehicle Commissioner, announced today he will be a candidate for Secretary of State in the Democratic primaries in May.

He said he believed that more than a quarter-century of public service eminently qualified him to sit with the Florida Cabinet.

Fisher promised an aggressive vigorous campaign in which he will present to the people of Flor-

ida the problems facing the state during the coming four years and what he as Secretary of State will do to help solve them.

"I have received enough assurances of financial support to make me believe I can finance the simple campaign I plan—a direct approach to the people," he said.

Fisher said he had no financial angles to pay for an elaborate campaign, but that "enough of many friends throughout the state believe in my ability to do the job, my sincere desire to serve and my integrity to contribute the modest amount I feel will be necessary to reach the people."

"I have but one special interest—the progress of Florida and the welfare of its people. It is from the ranks of the people that I will draw my support."

Girl Scouts, 38, Will Attend Fair

Pahokee Girl Scout Troop 38, at the regular meeting in the office of Dr. E. C. Johnson's Clinic Wednesday night made plans to attend the South Florida Fair and Exposition. It was decided that the Scouts meet at the First Methodist Church at 11 a. m., Saturday and go to the Fair as a group, returning home at 8 p. m., according to Elaine Salvatore, troop reporter. Julia Johnson's patrol was in charge of the opening flag ceremony and Jan Plumer read the minutes.

Christian Science Group Of Canal Point

Spiritual understanding of God as divine Truth brings mankind assurance of healing and redemption—this is a theme of the Lesson-Sermon, entitled "Truth" which will be read at Christian Science services Sunday.

Scriptural passages will include the account in Luke of the healing by Christ Jesus of the man "which had a spirit of an unclean devil" (4:33-36).

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "To understand God strengthens hope, enthrones faith in Truth, and verifies Jesus' word: 'Lo, I am with you always, even unto the end of the world' (44:20).

The Golden Text is from Psalms "Teach me thy way, O Lord; I will walk in thy truth: unite my heart to fear thy name" (86:11)

ATTEND BANQUET

Members of the staff at the USDA Sugar Field Station at Canal Point who attended the banquet given by Harry T. Vaughn, president of the U. S. Sugar Corp. at the Clewiston Inn Wednesday evening of last week were Dr. E. H. Todd, P. H. Duckleman, E. R. Rice, Carl O. Grassl and B. A. Elecher. O. H. Sheppard of Canal Point, superintendent of the USSC Bryant division also attended.

Five Circles Meet Regular Schedule

The five circles of the Pahokee Methodist Woman's Society of Christian Service conducted their January meetings at homes of members Monday, the program them for the month being "Your Light Has Come." Members were urged to participate in the WSCS study course on "United Nations" which is being held at the church on Friday nights.

The Gertrude Shirley Circle, meeting at the home of Mrs. L. J. Fraser, voted to serve as refreshments hostess to the Happy Helper group of children during February. Mrs. Edward Holman presented the program and devotionals. Mrs. Leon Spooner, co-chairman, presided in the absence of Chairman Betty Holman.

Mrs. James W. Vann and Mrs. E. D. Sims, Jr., were hostesses to members of the Miriam Circle at Mrs. Vann's home. The program was presented in the form of a playlet, with Mrs. Glenn Brower, Mrs. D. B. Watkins and Mrs. I. M. Lair taking part. Chairman Margaret Maxwell presided and Mrs. Sims gave the devotionals.

Mrs. Lloyd Hundley, chairman presided at the meeting of the Mary Martha Circle at the home of Mrs. Edward A. Jensen. Mrs. Louis Davis gave the program and Mrs. Robert C. Hatton, the devotionals.

Mrs. G. W. Byrd presented the program at the meeting of the Mabel Simonson Circle at the home of Mrs. J. V. Thomas. She was assisted by Mrs. L. W. Armstrong and Mrs. I. W. Weeks. Chairman Robena Blakey presided.

Mrs. C. A. Major presided at the meeting of the Margery Lair Circle at the home of Mrs. R. H. Watson in the absence of Chairman Hannah Anderson. The program was presented by Mrs. M. P. Holman, Mrs. Frank Friend and Mrs. Major. Mrs. William McClenithan gave the devotionals.

a castle in the air costs nothing
—but you can't live in it!

Make your dream house come true! It's easy
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a home or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.20!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—Join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest as current income, ask your bank about Series H Bonds, which pay dividends annually by Treasury check.

Choose your own savings goal

Kenneth Foster, Palm Beach County chairman of the annual March of Dimes displays one of the posters calling attention to the three crippling which contributions help fight... birth defects, arthritis and paralytic polio. Foster said this week the principal fund raising effort in the county will be the Mothers March set for January 28th.

Mothers March Polio January 28

The Mothers March on January 28 will be the principal fund raising effort for the New March of Dimes in Palm Beach County.

Kenneth Foster, county March of Dimes chairman, said the Mothers March, over the years, has become the best means of reaching the people with the organizations two fold purpose—to accept contributions for the fund campaign and to further the organizations public education program.

The National Foundation, Foster said, has expanded its program to cover care and research in the field of crippling birth defects arthritis and polio.

Foster also issued an urgent appeal for additional volunteers to participate in the traditional house to house solicitation, which climaxes the appeal of the New March of Dimes for 1960.

"The number of women who thus far have volunteered for the Mothers March is heartwarming," Foster said "but we still need more marchers."

Women who wish to join the

March are asked to call either their community chairmen or county March of Dimes headquarters in West Palm Beach.

Foster said one of the first communities to complete preliminary plans for the March is the Pahokee-Canal Point area where the event is being handled by Mrs. Ellis Wilkinson.

Musicarnival Will Open February 9

Season subscriptions are available now for Musicarnival's third season of six hit musical shows, opening on February 9 with the Lavish Arabian Nights adventure "Kismet." Mail orders for individual performances of all the shows are also being filled now.

"Kismet," which is based on the music of Alexander Borodin and Features "Stranger in Paradise," "Baubles, Bangles and Beads," and "This Is My Beloved" among its many hit songs, will continue through February 14 at the musical theatre-in-the-round located at the International Polo Fields in West Palm Beach.

Second show of the season will be one of the World's most popular operettas, "The Merry Widow," Feb. 16 through 21. This light-hearted comedy of Paris at the turn of the century includes the favorites "Villia," "The Merry Widow Waltz," and "Maxim's" in its lovely score by Franz Lehár.
